

# OFFICE OF PUBLIC INTEGRITY

Janson D. McNair, Director

## Publicly Disclosed Information:

OPI Case Number 21-416

Date: 10/05/2021

### ALLEGATIONS:

E-mail received alleging that piece of Monroe County equipment failed, creating an unsafe condition for employees and visitors. Complainant also says that failure was not permanently fixed in a timely manner.

### FINDINGS:

Founded allegation of unsafe condition, but County Employees implemented effective temporary fix within 24 hours. Unfounded for speed of permanently fixing equipment, which was delayed due to worldwide supply chain issues. Referred Founded Allegation to Department Head for further action.

### FINANCIAL IMPACT:

None
