Janson D. McNair, Director

Publicly Disclosed Information:

OPI Case Number 21-420

Date: 10/13/2021

ALLEGATIONS:

Received phone complaint alleging misconduct by County Employees. Allegations include violations of HIPPA Law, unethical relationship between county employee and client, illegal warrant-less entry of complainant's home and drug testing, and employee giving out false information.

FINDINGS:

Unfounded HIPPA Violation as information released was not subject to HIPPA laws. Unfounded unethical relationship due to lack of evidence, unfounded warrant-less entry and drug testing due to lack of documentation from complainant, and unfounded giving out false information for lack of evidence. Requested documentation of any actions by county employees, and did not receive response from complainant.

FINANCIAL IMPACT:

None
