

# OFFICE OF PUBLIC INTEGRITY

Janson D. McNair, Director

## Publicly Disclosed Information:

OPI Case Number 21-395

Date: 7/16/2021

### ALLEGATIONS:

Complainant states that county employees are operating vehicles and equipment at high rates of speed within county facility creating unsafe working conditions. Says they have complained to the supervisor, but no action was taken.

### FINDINGS:

OPI interviewed supervisor who states there is one employee who is always in a hurry, but it is only to accomplish the work as quickly and efficiently as possible. Said they have heard no other complaints of this nature, but will remind staff to use prudence and caution when operating county equipment.

### FINANCIAL IMPACT:

None
