Publicly Disclosed Information:

OPI Case Number 22-006

Date: 2/9/2022

ALLEGATIONS:

Citizen called to complain that employee at Ecopark had taken cash from them to turn in a Television, when signage clearly indicated that only credit or debit cards were allowed.

FINDINGS:

Unfounded. After research OPI determined that the employee involved is not a County Employee, but works for one of two subcontractors at EcoPark: Waste Management or Sunnking. OPI verified that none of the funds involved in this fee transaction are contractually obligated to the County. OPI contacted both subcontractors by e-mail to inform them that one of their employees was improperly collecting cash.

FINANCIAL IMPACT:

None
