## Publicly Disclosed Information:

OPI Case Number 22-051

Date: 9/9/2022

### ALLEGATIONS:

Complainant states they were driving on 490 East Bound near Route 96, and observed a Monroe County employee driving a marked Monroe County Vehicle at 85 MPH. They claimed that they "got in front of vehicle in order to slow it down" and was cut off by County vehicle.

### FINDINGS:

OPI contacted Fleet Maintenance and found there is no GPS installed on vehicle in question, so there is no evidence available to prove allegation. Employee's supervisors were notified of the allegation and advised to remind county employee of vehicle use policy that forbids speeding and offensive driving.

### FINANCIAL IMPACT:

None
