Janson D. McNair, Director

Publicly Disclosed Information:

OPI Case Number 22-074

Date: 11/18/2022

ALLEGATIONS:

Anonymous caller complained about generally feeling DHS was racist and deliberately demeaning. No specific mention of who employees were, or specifically what named employees had done that was racist. Other allegations were that DHS was following clients (including by use of cellphones and computers) and violating confidentiality or HIPPA laws, but again, no specifics as to which employees, or how the laws were broken.

FINDINGS:

Unprovable. If anonymous caller is reviewing this submission, we would advise that they report any generalized report of racism by a social services agency to the US Department of Human Services Office of Civil Rights.

FINANCIAL IMPACT:

None
